The deficits in the year 1926-28 and 1929-31 were due to want of receipts under the Russellkonda Saw mill and to poor prices of timber and fuel.

The increase in 1928-29 was due to receipts under sale of buildings to Public Works Department and to recovery of investments.

The deficit in 1931-32 was due to payment for buildings taken back from the Public Works Department, these having been transferred to them in 1928-29 to poor prices of timber and fuel and to heavy establishment charges.

(38 villages of Udayagiri Taluk.)

The settlement related only to those lands which are in the possession of non-hillmen. There was no soil classification. The rate of assessment were fixed only with reference to agricultural facilities of the lands. The lands were divided into three classes :—

	Rate per acre.
	RS. A. P.
Low-lying paddy land	2 0 0
High-lying paddy lands	1 0 0
Permanently cultivated dry land	0 12 0

CLASSES I AND II.—These include all institutions maintained by Provincial Funds and under Government management. The fact that an institution possesses endowments or receives contributions from Local Funds or private subscriptions should not be regarded as a reason for not classing it as "State" so long as Provincial and Imperial Funds are practically responsible for all the charges connected with it. Class I—"Public" are State dispensaries which are open to the poorer classes of the public. Class II are State dispensaries which serve only a special section of the public as indicated in the sub-classification attached.

CLASS III.—Local Fund dispensaries include all institutions which are vested in Local Boards or Municipalities or guaranteed or maintained by Local or Municipal Funds. The fact that such an institution is aided by private subscriptions, or receives assistance from Government in the shape of part of the salary of the medical officer, grants of medicine, or otherwise, should not be regarded as a reason for not classing it as a Local Fund dispensary so long as its existence is practically dependent upon Local Funds.

CLASS IV.—Comprises institutions supported by private subscriptions or guarantee but receiving aid from Government or Local Funds. This includes also the subsidized dispensaries in rural areas.

CLASS V.—Comprises institutions maintained entirely at the cost of private individuals or associations. The fact that Government supplies superior inspection or registers should not be regarded as a reason for not treating it as a private non-aided dispensary.

CLASS VI.—Comprises all Railway Dispensaries whether maintained by State Railways or others.

XXVIII.—Vaccination.

Taluks and municipalities.	Number of persons successfully vaccinated. 1928–29.	1929–30.	1930–31.	Registered birth-rate per 1,000 of the population. 1928–29.	1929–30.	1930–31.	Average number of successful cases of vaccination on children under one year during the three years ending 1930–31.
